BERENICE MELIS

I am a recent graduate of MArchD RIBA Part II from the Oxford Brookes University.
Interested in the fields of urbanism and social regeneration, where the social and the form meet to increase the community wellness, experimenting with alternative models of society.
Passionate about working in team and in meeting new people with different backgrounds. Particularly skilled in the strategical and conceptual stage of a project and in transforming the idea into architecture.

AWP, Paris, France - **Architectural Internship Part I**

Main projects: urban design, residential, commercial architecture
Main tasks: model making, autoCAD, design and research

Paolo Portoghesi, Viterbo, Italy - **Architectural Internship**

Main Projects: residential
